27 years of learning, evolving, and growing—together as one team, one vision.

The Annual Audit Workshop continues to stand as one of LMA's most cherished traditions. *Honoring a remarkable legacy and a cherished association—
remembering Mr. Param Kannampilly(KPK sir) with respect. 🌸*

We at LMA are extremely saddened to learn about the passing away of Mr. Param Kannampilly, Founder and Chairman Concept Hospitality Pvt Ltd (Fern Hotels).

We have had a more than three-decade association with Mr. Kannampilly who was one of our initial clients when we were setting up our Mumbai office in the mid 90s. He was the Technical Director - Kamat Hotels at that time. Over the years we remained associated with him personally and professionally and benefitted from his kindness and affection for LMA. On several occasions he helped us with our Annual Audit Workshops with the 2006 Goa AAW (venue Lotus resorts) standing out as our core team would well recall. He also took a keen interest in our work and would always respond with appreciation to our monthly regulatory newsletters shared with clients and colleagues, a gesture that reflected his graciousness and engagement.

We were introduced to him by his elder brother Mr Vijayan Kannampilly (CEO Business India Directory Division), who passed away a few years ago. Passing away of KPK sir (as Mr. Param Kanampilly was fondly known) is a big loss for LMA and the LMA family. We pay our homage and respect to the departed soul. May his soul rest in peace.

As Q4 comes to a close, we take a moment to reflect on a quarter filled with meaningful moments, shared experiences, and milestones that continue to strengthen our LMA family. 🌟

This quarter has been especially memorable, marked by flagship events, team celebrations, and opportunities to connect across offices. From professional learning to festive gatherings, each experience has reinforced the spirit of collaboration, camaraderie, and collective growth. 🤝 ✨

As we step into the new financial year, we carry forward this momentum with renewed energy and purpose. Here's to continuing our journey of innovation, teamwork, and shared success — one quarter at a time!

Thank you for being an integral part of our journey. Let's make the year ahead even more impactful and memorable! 🐾
